Dear Artist or Crafts Vendor,

March 2022

We invite you to participate in the 2022 Tumbleweed Music Festival. This year's event will be held on Saturday and Sunday of Labor Day weekend, **September 2-4, 2022**, at Howard Amon Park, in Richland, Washington. The festival is free and open to the public both days. The Three Rivers Folklife Society has sponsored the festival each year since 1997, and the City of Richland co-sponsors the event. We feature live acoustic music from five outdoor and two indoor stages, (music / dance), arts and crafts vendors, and of course, festival food. We estimate about 4,000 people attended the last live festival (before Covid), and we expect numbers near that this year, our first live festival since 2019! This is the 26th annual Tumbleweed Music Festival; in those years, we have gained a reputation as one of the best small music festivals in the Northwest (or even the whole of the US, according to some of our performers!)

Preference is given to vendors presenting original artwork, and services or products that will enhance the overall experience of festival patrons. We accept vendors representing a broad range of art forms, with the aim of keeping a balanced representation (i.e., not too many of one type of craft, and avoidance of mass-produced, discount or megastore merchandise).

Enclosed is the Artist's and Craft vendor application form. You may either send it to the 3RFS postal address (PO Box 1098, Richland, WA 99352), or via email to vendors@3rfs.net. Payment may be made through a link at <http://www.tumbleweedfest.com/craft-vendors.html>. If you are submitting via letter, please include your e-mail address for notification and your check for your fees, made out to 3RFS. We plan to notify vendors of acceptance within two weeks of application receipt. If you haven't heard from us within two weeks of submittal, please contact us to verify our receipt. **Applications are due no later than August 1, 2022.** Applications after that date may be accepted if circumstances allow. Vendors' application fees will be returned by August 15th if they are not accepted for the festival.

Vendors will need to be set up and have all vehicles off the site by 11:00 AM Saturday and Sunday. Outdoor performances will end around 10:30 PM on Saturday (the end of the benefit concert on the North stage), and 8:00 PM on Sunday (the end of the "Theme Concert" on the South stage). Vendors are expected to attend both days of the festival. The weather on Labor Day weekend is generally excellent, and the park has many shady trees. Even so, artists and vendors should be prepared for sunny locations, shifting shadows and the possibility of wind and rain.

Electricity is not available for artists' booths. NO generators will be operated in the park during event hours. Potable water is available in the park, but there are no direct connections. Booths may remain overnight in the park, but the vendor assumes all responsibility for security. Vendors are allowed to remain with their booth overnight if approved before the event, for a **\$10** fee.

Thanks for your interest, and we hope to see you at the 2022 Tumbleweed Music Festival!

Please send your surface mail applications to Tumbleweed Music Festival, PO Box 1098, Richland, WA 99352, OR via email to vendors@3rfs.net.

Sincerely,
Micki L. Perry
